MetroCentre is divided into coloured malls, red, blue, green and yellow, co-ordinating with the nearest free car park, and two floors - Upper Mall and Lower Mall. They are linked by Central Mall which is coloured grey on the map. If you get lost or separated we suggest you meet by the Customer Services Desk, ground floor, Green Mall next to Marks & Spencer. We can only make special announcements for lost children and serious emergencies.

METROCENTRE

The leading shopping centre in the UK.

2008 promises to be another exciting year for MetroCentre, the largest shopping and leisure centre in Europe. After recent investment of over £100 million the Centre has never looked better and offers everything you could wish for to enjoy a day of shopping, dining and great leisure.

The Centre's refurbishment programme is continuing in the Yellow Mall but all retailers and leisure operators remain open as usual.

SHOPPERTAINMENT DATES FOR YOUR DIARY
